Harborlight Office Goods | Quarterly operations brief

Prepared for: Facilities team

Review date: 4 October 2026

Quarterly overview

Harborlight Office Goods supplied 240 starter kits to the Northbridge workspace during the quarter. Each kit contained a notebook, a pen set and a reusable desk pouch. The final delivery arrived on 28 September 2026.

Service and availability

All three monthly deliveries arrived within the agreed window. The local warehouse currently holds 80 additional kits. Replacement items can be included with the next scheduled delivery after the facilities team confirms quantities.

Next review

The next supplier review is scheduled for 15 October 2026. The facilities team will compare item usage, collect staff feedback and prepare the order quantities for the following quarter.

Document record: NB-FAC-2026-04. Prepared by the facilities team for the October supplier review.
